ELECTION REPORT
STATE OF INDIANA

EVAN BAYH
Secretary of State

SECRETARY OF STATE
STATE OF INDIANA
INDIANAPOLIS
46204

This report contains final primary and general election statistics for 1986. Included are the returns for the offices of United States Senate and United States House of Representatives. On the state and local levels, it includes returns for the offices of Secretary of State, Auditor of State, Treasurer of State, Clerk of the Supreme Court and Court of Appeals, State Senate, State Representative, Judge of the Circuit Court, Judge of the Superior Court, Judge of the County Court, and County Prosecuting Attorney. Also included are the results of the vote on two Indiana Constitutional Amendments, the vote on retention of one Indiana Supreme Court Justice, and the vote on retention of one Judge of the Court of Appeals. County voter registration, voter turnout, and the number of precincts in each county are included at the end of the report.

With 1987 being the bicentennial year of the United States Constitution, we should all reflect on the foundation of our liberty, the right to vote. Amendments to the Constitution have steadily expanded this right. In 1870, the 15th Amendment guaranteed United States citizens, regardless of their race or color, the right to vote. The 19th Amendment, ratified in 1920, gave women this right. In 1971, the 26th Amendment lowered the minimum voting age from 21 to 18. As we celebrate the 200th anniversary of the United States Constitution, let us rededicate ourselves to the principles it embodies. None is more important than the right to vote.

Sincerely yours,

Evan Bayh
Secretary of State
